

INDUSTRIAL TO LET

# Block 3 The Avenue

Minto Avenue | Altens Industrial Estate | Aberdeen | AB12 3JZ

## LOCATION

Altens Industrial Estate is Aberdeen's premier south-side industrial location, approximately 2 miles south of the city centre. The estate benefits from direct access to Wellington Road (A956) which connects to the A90 trunk road.

Altens is also in close proximity to Aberdeen Harbour and Hareness Road forms the main access route to the new South Harbour. The estate also forms part of the newly formed Energy Transition Zone – a location for the accelerated development of a net zero energy cluster to attract new investment and deliver net zero.

The subject property is located on north side of Minto Avenue close to the junction with Hareness Road

ETZ Ltd is a private sector led company spearheading the North East of Scotland's energy transition ambition supported by significant ongoing funding from both the Scottish and UK Governments. The North East of Scotland is now one of the most attractive locations in Europe for investment in low carbon and net zero technologies.

The Energy Transition Zone (ETZ), which comprises approximately 250 hectares including Altens and Tullos Industrial Estates together with the South Harbour and adjacent land, will be the catalyst for offshore renewables, production of hydrogen and CO2 storage making a significant contribution to the net zero objective. It is proposed that the ETZ will support 2,500 direct jobs with a further 10,000 energy transition related jobs.

A comprehensive investment programme is underway to deliver market ready properties and sites for high value manufacturing and the wider energy transition supply chain. This investment will include a Marine Gateway and the creation of specialist campuses for Offshore Wind, Hydrogen, Innovation and Skills that will position the region as a global leader in energy transition, as shown on the adjoining plan.

For further information see:
